It will be the responsibility of the faculty member to ensure that the department chair (or Dean) is notified of the need for such absence in as timely a manner as possible and to assist the department chair (or Dean) in attempting to provide for coverage of any classes to be missed. The decision of the departmental chair (or Dean) regarding non-illness related requests by faculty members as addressed in this paragraph will be final.

If and when a member of the Bargaining Unit has miscellaneous leave allowance available, and is injured while in the performance of his/her duty, and such injury could result in a claim under the Maine Worker's Compensation Law, he/she shall be paid his/her leave allowance up to the extent of his/her leave allowance until payments under the Worker's Compensation Law begin.

C. DISABILITY LEAVE

1. The college shall establish a pool of 550 disability leave days for faculty to draw from as stipulated in #2 below. On September 1 of each successive academic year this disability leave pool shall be replenished to the 550 day level. Should the number of days in the pool drop below 100 in the course of any academic year, the Administration shall meet with unit negotiators to discuss advance replenishment of the disability leave pool.

Such response shall include the number of days, if any, granted (or the reason for denial if applicable). The committee's decision shall be final and not grievable. Copies of the committee's responses shall be provided to the requesting individual, the appropriate departmental chair, the Academic Dean and Academy Director of Human Resources within five (5) days of its decision.

In the event that the departmental chair determines that coverage cannot be handled by existing faculty resources, the chair shall so notify the Academic Dean in order that suitable alternative arrangements can be made.
 - g. All extended disability leave days approved by the committee within these Guidelines will be covered by full pay and benefits for the absent faculty member on the basis of his or her base academic appointment.
 - h. In the event of an extended absence due to documented illness or injury, when a faculty member's access to the extended disability leave pool is exhausted, or denied by the committee, Personal Extended Unpaid Leave (as addressed in Section H 2 of this Article) shall automatically be granted, not to exceed one year.
 - i. To assist the college with planning, the duration of the leave period will be stipulated prior to its commencement.

2. Maine Public Employees Retirement System (MainePERS)
Employees hired before January 1, 2016 who have chosen MainePERS will be grandfathered into the system. MMA will continue to provide contributions as determined by the MainePERS system. Employees hired on or after January 1, 2016 will not be eligible to select this retirement option.
3. Teachers Insurance and Annuity Association (TIAA)
Continuing part-time and full-time unit members who have elected not to participate in the Maine Public Employees Retirement System (MainePERS) may elect enrollment in a TIAA plan as an alternative to MainePERS. After January 1, 2016 continuing part-time and full-time members may only elect enrollment in a TIAA plan. An eligible unit member electing a TIAA plan will contribute monthly to the plan, beginning at the time of the member's election, an amount at least equal to the amount the employee would have contributed had the employee elected the Maine Public Employees Retirement System option. The Academy will contribute monthly an amount equal to 7% of the employee's qualifying compensation. The Academy's contribution will vest after two years of service. Contributions to TIAA are to be made pursuant to and on the schedule required by law.
4. Employees wishing to contribute amounts in excess of that contributed to MainePERS or TIAA may join the 403(b) plan, also known as the Group Supplemental Retirement Account (GSRA) by completing a salary reduction agreement and opening a GSRA contract with TIAA

If approved, a memorandum of understanding will be developed and executed between the applicant and the Academy, with a copy to the Union to reflect the terms of the individual phased-in retirement arrangements. That agreement will be binding and may not be changed without the consent of all parties. Nothing in that agreement shall be construed to contravene or be in derogation of the collective bargaining agreement.
 - d. Any such agreement will be contingent upon the availability of a qualified replacement(s) and meeting the needs of the Academy as determined by the Academy.
 - e. Under an approved phased-in retirement plan, a faculty member who is approaching retirement may accept a reduced workload, teaching either a partial course load each semester or a full load one semester and none the next. He or she would receive full benefits, but would receive a proportional decrease in salary based on workload.
 - f. Any such contract will not exceed three (3) years in length, but may be renewed with the consent of both parties. Renewal will be finalized six (6) months prior to the end of the contract.
 - g. The parties intend that such agreements will be approximately revenue neutral. In calculating costs for purposes of this comparison, cost will be based on cost per unit (units as defined by Article 11, Section 3). (See Appendix C for example.)
 - 1) Costs to be included in this calculation will be annual salary plus a percentage charge for benefits, currently projected to be 38% but subject to increase as such costs increase, if at all, each year.
 - 2) Faculty participating in the phased retirement program will receive all compensation adjustments agreed to in the collective bargaining agreement.

ARTICLE 5 ACADEMIC FREEDOM AND RESPONSIBILITY

A. PURPOSE

The purpose of this statement is to promote public understanding and support of academic freedom and to assure academic freedom at Maine Maritime Academy.

Institutions of higher education are conducted for the common good of society. The common good depends on the free search for truth and its free exposition. Academic freedom is essential to this purpose and applies to both teaching and research. Freedom in research is fundamental to the advancement of truth. Academic freedom in its teaching aspect is fundamental for the protection of the rights of the teacher in teaching and of the student to freedom of learning. It is with this foundation that the Board of Trustees of the Maine Maritime Academy and the Association agree to encourage an atmosphere of confidence and freedom while recognizing that the concept of academic freedom is accompanied by a corresponding concept of responsibility to the college and its students. Unit members shall be free from any censorship, threat, restraint or discipline by the college with regard to the pursuit of truth in the performance of their teaching, research, publishing or service obligation.

Unit members as citizens are entitled to the rights of citizenship in their roles as citizens. Because of their special status in the community, unit members have the responsibility and the obligation to indicate when expressing personal opinions that they are not institutional representatives unless specifically authorized as such.

B. ACADEMIC POLICY

Although it is Academy policy not to grant tenure, the principles of Academic Freedom, the protection of which are the objective of tenure policy, are protected rights of the Faculty of Maine Maritime Academy. These principles are established by adherence to the following standards:

1. The precise terms and conditions of every appointment should be stated in writing and be in the possession of both institution and unit member before the appointment is consummated.
2. During the probationary period, a unit member shall have the academic freedom that all other members of the faculty have as provided in Section A of this Article.
3. The unit member recognizes that a condition for continued employment requires maintenance of competence as a teacher and scholar and accepts the requirements for peer review on a periodic basis in accordance with current faculty evaluation directives.
4. Resignation in good standing shall require at least one semester's notice.

ARTICLE 6 SELECTION AND RESPONSIBILITIES OF DEPARTMENT CHAIRS

Department Chairs shall be nominated by a majority of the full-time faculty with continuing contracts and continuing part-time faculty of the department and appointed by the Academic Dean for a three (3) year renewable term subject to recall by the Dean upon three (3) months notice.

In any such situation, the Academic Dean or his/her designee shall endeavor to notify or inform the department chair of responsibilities he/she deems it necessary to perform, and the department chair, if so notified or informed, may undertake to discharge such responsibilities.

B. SELECTION OF DEPARTMENT CHAIR

Candidate(s) for department chair shall be voted on by secret ballot and nominated in a timely manner by a majority vote of the full-time faculty with continuing contracts and the continuing part-time faculty within the department when one of the following shall come to pass, namely:

D. RECALL OF DEPARTMENT CHAIR

The parties recognize that the recall of a department chair by department members is an unusual occurrence and that such recall should be based upon extraordinary circumstances and only after fair and equitable procedures have been followed.

A majority of the full-time faculty with continuing contracts and the continuing part-time faculty of the department can successfully petition for a recall vote. A vote will be held within ten (10) working days of the Academic Dean's receipt of the petition. A successful recall shall require at least two thirds (2/3) of the votes of the eligible voting members of the department.

E. STIPENDS AND REDUCTION OF WORKLOAD OF DEPARTMENT CHAIRS

1. Workload

Each department chair's workload shall be determined on a semester to semester basis by the Academic Dean in consultation with each chair and such determination shall not be grievable. It is understood that the department chair has undertaken and will discharge those obligations and duties that are set forth in the other provisions of this Agreement and with the further express understanding that the President or his/her designee is charged with the responsibility for evaluating such department chair pursuant to Article 8 of this Agreement for the purpose, among others, of ascertaining whether such department chair is discharging such obligations and duties in accordance with the terms of this Agreement.

2. Department Chair Stipends

In consideration of the foregoing, every department chair shall be paid an annual stipend in an amount equal to seven thousand five hundred dollars (\$7,500); provided, however, that any member of the Bargaining Unit who, in respect of any academic year, shall serve as department chair for less than the whole of such academic year shall be paid a proration of such stipend for such academic year. Such determinations are not appealable. It is understood that this \$7,500 stipend will be given to any Department Chair irrespective of the size of the department and shall not be the subject of renegotiation based on the size of the department by the faculty.

The representative shall be informed of meeting dates, agenda items and minutes and be released to participate in meetings.

B. FILLING OF VACANCIES

The recommendation shall be made in compliance with applicable AA/EEOC laws, policies, and/or procedures.

ARTICLE 8
EVALUATIONS, RETENTION AND PROMOTION

C. DOCUMENTATION

For evaluation purposes, Assistant, Associate and Full Professors must provide evidence that their documented professional development or scholarship enables them to remain current in the theory, knowledge, skills or pedagogy of their discipline. The scholarly expectations of faculty should be consistent with the mission and purposes of the institution, the level of degrees offered, and the resources provided by the institution in support of this activity.

ARTICLE 9
RETRENCHMENT

A. INTRODUCTION

The parties recognize that, should a financial exigency ever occur, every reasonable measure should be taken, as is hereinafter provided, to curtail the operations of the College consistent with the preservation of the academic integrity of its educational programs and goals and consistent with the preservation of the paramount teaching-learning relationship among members of its academic community.

B. AGREEMENT

The parties expressly agree notwithstanding any other term of this Agreement that no unit member shall be retrenched except as provided in accordance with provisions of this Article.

C. DEFINITIONS

Financial Exigency. For the purpose of this Article, financial exigency shall be deemed to exist at the College whenever, in any fiscal year, the monies allocated or otherwise made available from or by way of legislative appropriation for all of the operations of the College shall be insufficient for the continuation of any or all of such operations during such fiscal year. If the Board of Trustees shall have determined that such procedures should be initiated, it shall provide the Association with the information on the basis of which it has determined the financial exigency to exist.

Declining Student Enrollment. For the purposes of this Agreement, "declining student enrollment" shall mean a decrease in the total number of students enrolled in the total number of courses offered by a department or program area during a semester, which decrease shall be measured by comparing the total number of students so enrolled during the then current semester with the average total number of students so enrolled during the three (3) previous comparable semesters (i.e., fall or spring), and which decline shall, in the sole discretion of the Board, be deemed to be of sufficient magnitude to justify a reduction in the total number of faculty members within that department or program area.

Retrenchment. For the purposes of this Article, "retrenchment" shall mean the laying off of any member of the Bargaining Unit by reason of financial exigency or declining student enrollment at the Academy, and shall not mean termination.

Seniority. For the purpose of this Agreement, as applied to each member of the Bargaining Unit, "seniority" shall be measured by the length of the continuous service in the Bargaining Unit. Such service shall be deemed to have commenced on the date, time and order of initial employment.

A person's service at the College shall not include any time in excess of two (2) years that such person shall have spent in any unpaid leave of absence subsequent to the date of initial employment.

D. CRITERIA FOR RETRENCHMENT

Retrenchment shall take place only pursuant to the following provisions:

1. Faculty Members

The seniority of each faculty member within any department or program area at the College shall determine the order in which he/she shall be retrenched from that department or program area, so that the most senior such member shall be last retrenched and the least senior such member shall be first retrenched; provided, however, that such order of retrenchment shall govern only insofar as, pursuant to its initial application, those faculty members to be retained are, by training and/or experience, qualified to teach the remaining courses which are to be continued to be offered by such department or within such program area to fulfill its mission and purpose.

2. Application

Whenever it shall be necessary, pursuant to the application of this Section D to determine whether any faculty member who would otherwise be retrenched should be retained in any department or program area, such determination shall be made by the President.

E. PROCEDURES FOR FINANCIAL EXIGENCY

1. If the President determines that retrenchment for financial reasons may be necessary, he/she shall so notify the President of the Association and the Field Representative and the affected departments and/or program areas that a financial exigency exists, and shall provide them with a proposal, which shall address the reasons for the anticipated retrenchment, the amount of the anticipated retrenchment and the areas proposed for retrenchment.
2. The President shall provide a reasonable period of time and, whenever possible, a minimum of thirty (30) days from the issuance of the preliminary proposal, to receive advice and written recommendations from the President of the Association.
3. The President of the College and the President of the Association shall promptly meet and confer to consider the recommendations of each party and to seek to develop mutual recommendations relative to curtailing the operations of the College as it affects members of the Bargaining Unit with respect to the preliminary proposal and their recommendations.
4. If after having considered such recommendations, the President determines that retrenchment remains necessary he/she shall recommend a final retrenchment plan, which shall state the department/program area in which retrenchment shall occur, the extent of retrenchment in each such department/program area, and, if known, the projected duration of retrenchment. The plan shall identify in accordance with the provisions in this Article, those unit members who are to be retrenched. In developing the final retrenchment plan, the President shall address the following considerations:
 - a. The reasons for retrenching within the specific program or department areas.
 - b. Any arrangements to compensate for program or departmental services that will be lost to other programs within the Academy.
 - c. Arrangements to allow students in the affected department/program area(s) to satisfy academic needs or requirements.
 - d. The possibilities of reemployment elsewhere in the Academy.

A copy of the above material shall also be transmitted to the Board of Trustees and the Association.

F. RIGHTS AND BENEFITS OF RETRENCHED BARGAINING UNIT MEMBERS

1. Notice

- a. With regard to retrenchment pursuant to Section E above, Bargaining Unit members to be retrenched shall be informed as soon as possible of their selection. The Board shall provide a minimum of one (1) semester notice to unit members. Such notice shall be provided in writing.
- b. Notwithstanding (a) above, notice shall not extend beyond the termination of a Bargaining Unit member's term of appointment or reappointment. Upon request of the unit member who has been so retrenched, the President of the College shall provide him/her with a letter of recommendation which shall also state that the unit member was retrenched due solely to financial exigency.

2. Recall

Whenever during the term of this Agreement it shall be determined by the President or his/her designee to be necessary to fill, in whole or in part, any faculty position in a department in which retrenchment shall, pursuant to the provisions of this Article, have earlier taken place, then the President or his/her designee shall recall the most senior faculty member from among those faculty members who shall have been so retrenched from such department; provided, however, that such order of recall shall govern only insofar as pursuant to its initial application each faculty member to be recalled is, by training and/or experience, qualified to teach the course or courses for the teaching of which such position is to be filled.

3. General Provisions

- a. Any such member of the Bargaining Unit so recalled shall retain all those rights of employment that he/she shall have held at the date of his/her retrenchment, and shall retain any eligibility for sabbatical leave that, pursuant to the terms of this Agreement, he/she was entitled to at the date of his/her retrenchment.
- b. If a faculty member is retrenched for the above reasons before the end of the period of appointment because of the discontinuance or reduction of a program of instruction, the released faculty member's place will not be filled with a replacement within a period of two (2) years unless the released faculty member has been offered reappointment and a reasonable time within which to accept or decline.

4. Alternate Employment

- a. Every reasonable effort shall be made to offer the faculty member employment in another program in which the faculty member is presently qualified. Application for sabbatical leave for the purpose of retraining shall be considered as a method of continued employment.
- b. In the event of short term shifts in student needs, full time and part-time faculty members shall be treated according to part 3. b. above.

ARTICLE 10 GRIEVANCE PROCEDURE

The Association and the Academy agree that they will use their best efforts to encourage the informal and prompt settlement of any complaint that exists with respect to the interpretation or application of this Agreement. However, in the event such a complaint arises between the Academy and the Association which cannot be settled informally, a Grievance procedure is described herein.

A. DEFINITIONS

1. A "grievance" shall mean an unresolved complaint arising during the period of this Agreement between the Academy and a unit member, a group of unit members, or the Association with respect to the interpretation or application of a specific term of this Agreement.
2. A "grievant" is the unit member, group of unit members or Association making the complaint.
3. "Days" shall mean all days exclusive of Saturdays, Sundays, and officially recognized Academy holidays.

B. FORMAL PROCEDURE

Step 1: The grievant or steward, within twenty (20) work days following the act or omission giving rise to the grievance or the date on which the grievant reasonably should have known of such act or omission if that date is later, shall present the Grievance orally and/or in writing to his or her immediate chair or

supervisor. Notice in writing that a decision will be effective on a future date shall constitute an act for purposes of initiation of this grievance procedure. A grievance so presented shall be answered within ten (10) work days of receipt of the grievance.

Step 2: In the event satisfactory resolution has not been achieved in Step 1, the grievant, within ten (10) work days of receipt of the answer, or of the date the answer is due if no answer is provided, shall forward the grievance, written statement(s) why the resolution is not satisfactory, and any other documentation to the next appropriate level of Administration. A grievance so presented shall be answered in writing within ten (10) work days of receipt of the grievance. If a Grievance affects unit members in more than one department, division or other appropriate unit, the Association, within ten (10) work days following the act or omission giving rise to the grievance or the date on which the Association reasonably should have known of such act or omission if that date is later, shall forward to the Academic Dean or his or her designee the written, signed grievance. A Grievance so presented shall be answered in writing within ten (10) work days of the receipt of the Grievance.

Step 3: In the event satisfactory resolution has not been achieved in Step 2, the Association, within ten (10) work days of receipt of the answer or of the date the answer is due if no answer is provided, shall forward to the President or designee the written grievance, written statement(s) why the resolution is not satisfactory, and any other documentation. The President or designee shall answer in writing within ten work days of receipt of the grievance.

Step 4:

- i. In the event a grievance is not satisfactorily resolved at Step 3 of the grievance procedure and the Association wishes to proceed to arbitration, it shall serve written electronic notice to that effect directed to the President or his/her designee within twenty (20) work days after receipt of the Step 3 answer or of the date the answer is due if no answer is provided. The parties shall confer within ten (10) work days to select an arbitrator. Should the parties be unable to agree upon an arbitrator, the grievance will be referred to the American Arbitration Association for resolution by a single arbitrator in accordance with the procedures, rules and regulations of that Association.
- ii. The arbitrator shall have no authority to add to, subtract from, modify or alter the terms or provisions of this Agreement. Arbitration shall be confined to disputes arising under the terms of this Agreement.
- iii. The arbitrator's decision as to whether there has been a violation of this Agreement shall be final and binding on the Academy, the Association and any and all affected unit members.
- iv. An arbitrator may, through an award, make the grievant(s) whole where appropriate to remedy a violation of the Agreement, but the arbitrator may not award other monetary damages or penalties.
- v. If a unit member is reappointed at the direction of an arbitrator, the chief administrative officer may reassign the unit member during such reappointment to some mutually agreed upon assignment.

C. DUPLICATE PROCEEDINGS

A grievance alleging a violation of the non-discrimination article shall not be processed under this Agreement on behalf of any employee who files or prosecutes, or permits to be filed or prosecuted on his or her behalf in any court or governmental agency, a claim, complaint or suit, complaining of the action grieved, under applicable federal or state law or regulation. Notwithstanding the preceding sentence, if the processing of a grievance is not completed within one hundred fifty (150) days of the date of the alleged violation, the restriction provided in the preceding sentence shall not be applicable where a complaint is filed thereafter with the Maine Human Rights Commission or its successor agencies with respect to the same claim.

D. RIGHTS AND RESPONSIBILITIES OF THE GRIEVANT, ACADEMY AND ASSOCIATION

1. No reprisals shall be taken by either the grievant, the Association, or the Academy against any participant in the grievance procedure by reasons of such participation.
2. A unit member may be represented at any level of the grievance procedure only by an Association designated representative, or professional staff or counsel of the Maine Service Employees Association, except a unit member may represent himself/herself in Steps 1, 2, and 3.
3. When a unit member is not represented by the Association at Step 1 or 2, the Association shall have the

right and reasonable opportunity to be present at any meeting between the grievant and the Academy after the submission of the written signed grievance form.

4. Except for the decision resulting from arbitration or settlement, all documents, communications and records dealing with the processing of a Grievance shall be filed separately from the personnel files of the unit members.
5. The forms which must be used for filing a Grievance (Appendix A) and any subsequent review (Appendix B) shall be prepared by the Academy and supplied to unit members and the Association.
6. In all grievances at Steps 2 and 3, the grievance designees for the Association and the Academy, or their representatives, will arrange a meeting to discuss the grievance. Other participants in the matter which is the subject of the grievance may attend by invitation of a party. The requirement to conduct such a meeting may be waived with respect to any grievance by mutual agreement, confirmed in writing, of the Academy and Association representatives involved. All meetings and hearings under this procedure shall be conducted in private and shall include only the parties in interest and the grievant and his/her designated representatives.
7. In the event that a Grievance is not timely answered by the Academy at any Step in the procedure, the grievant or the Association, as appropriate, may file at the next Step in the procedure.
8. The costs of arbitration will be borne equally by the Academy and the Association. Such shared cost shall be limited to the arbitrator's fee and expenses and the charges of the American Arbitration Association.
9. The Academy shall promptly forward to the Association and stewards, a copy of any submitted written Grievance and any written material accompanying the grievance. This requirement is waived in the case of grievances filed by the Association, or unit member(s) who are represented by the Association or its representatives.
10. No complaint informally resolved or grievances resolved at Steps 1, 2, or 3 shall constitute a precedent for purpose unless agreed to in writing by the President or his/her designee and the Association.
11. All grievances shall be filed within the time limits set forth or the grievance will be deemed to have been resolved by the decision at the prior step. The time limits in this Article may be extended by mutual agreement of the grievant and the appropriate Academy administrator at any step of the grievance procedure except that the time limits for the initial filing of a grievance may be extended only by Agreement between the President or his/her designee and the Association. Any mutual agreement shall be confirmed in writing as soon as practicable.
12. Grievances will be scheduled for arbitration in the order in which the Academy receives from the Association notice of its intent to proceed to arbitration, except where the parties mutually agree otherwise in this Agreement. In scheduling arbitrations, the parties may mutually agree to schedule more than one grievance to be heard by a single arbitrator.

ARTICLE 11 WORKLOAD, SCHEDULING AND COURSE ASSIGNMENTS

The following definitions and rules shall apply to this Section A:

- a. A "Contact Hour" consists of 50 continuous minutes of teaching a lecture or lab per week during a semester;
- b. A "Unit" consists of either (i) one (1) lecture contact hour or (ii) two (2) lab contact hours. A lab contact hour shall count as 1/2 Unit. The Academic Dean has the sole discretion to determine whether a lab contact hour shall count as more than 1/2 Unit;

- c. A “Prep” consists of a faculty member’s preparation for and teaching of a lecture course, lecture/lab course, or a lab course. One (1) Prep is earned if a faculty member prepares for and teaches a lecture course, lecture/lab course, or a lab course. If a faculty member teaches multiple sections of the same course, only one (1) Prep is earned;
- d. The number of students taught will be calculated by counting the students taught by a faculty member in a semester. If a faculty member is teaching a course with a lecture and a related lab, a student enrolled in both the lecture and the related lab will be counted once.

2. General Provisions

Faculty workload consists of: (1) teaching workload; (2) preparations for classroom and laboratory instruction; (3) student assistance; (4) continuing scholarship; and (5) activities undertaken by a faculty member pursuant to his/her responsibilities under the terms of this Agreement, including those in the following areas:

- a. Participation as a professional in Academy-related public service;
- b. Participation in and contributions to the improvement and development of the academic programs or academic services of the Academy;
- c. Participation in the annual training cruise as appropriate and applicable.

In addition to the foregoing, during the academic year, faculty members and continuing part-time faculty members have the obligation to carry out committee assignments; to attend Academy functions including commencement, faculty, senate and departmental meetings and convocations; to assist in the recruitment and screening of candidates for departmental positions; and to undertake, pursuant to their responsibilities as professionals, such other activities as are of the kind described in the preceding paragraph.

3. Workload

a. Normal Teaching Workload

A faculty member’s normal teaching workload shall consist of:

- i. A maximum of 24 Units per academic year, with no more than 15 Units per semester;
- ii. A maximum of 3 Preps per semester;

- ii. \$105 per each student over the maximum of 130 students per semester.

If a faculty member exceeds the maximum in more than one of the three categories of workload (Units, Preps, Number of Students), the faculty member shall only receive overload pay for the exceeded category for which the highest amount of compensation is available and will not receive overload pay for any excess with respect to the other category or categories. By way of example, if a faculty member has 18 Units, 5 Preps, and 155 students in a semester, the faculty member will receive overload pay of \$3,150 for the excess Units at the rate of 3 x \$1,050, and will not receive any overload pay for the excess Preps or Number of Students taught.

4. Scheduling

a. General

Scheduling of courses will be the responsibility of the Registrar in consultation with the Department Chairs and with the approval of the Academic Dean. The Department Chair shall inform each

faculty member of his/her preliminary schedule in writing. The faculty member may orally or in writing inform the Department Chair of his/her concerns, if any, with the preliminary schedule. Once established, each faculty member is to be given a written copy of the schedule.

B. COMPENSATORY ADJUSTMENT FOR EXTRAORDINARY WORKLOAD

When a Bargaining Unit member volunteers or is requested to perform additional work to assist the department or College due to another member's sickness, injury or emergency leave, then the faculty member performing the work will be compensated equitably, if more than a five (5) day period.

C. TRAINING CRUISE

Training Cruise is an essential component of the educational programs of the Academy. The scheduling of a cruise is dependent on various factors not within the full control of the Academy. Therefore, the Academy may be required from year to year to change the length and/or number of cruise(s). The faculty will be kept informed of proposed cruise schedule(s) and of any changes.

1. Training Program

Maine Maritime Academy's (MMA) Training Cruises combine the operation of a training vessel with academic and practical programs of instruction to provide comprehensive learning experiences for our students pursuing United States Coast Guard (USCG) Licensing as Deck and Engine officers for the United States Merchant Marine as well as for those students who are not seeking licenses in the maritime industry. It is the intent of MMA that USCG Licensed faculty contribute to the successful completion of training programs by operating training vessels, teaching and mentoring to provide the most beneficial learning environment for all participating students. This contribution can be satisfied in one of two ways: when participating in a training cruise (defined below), USCG Licensed faculty from the Marine Transportation and Engineering Departments may participate in the capacity of Assistant Training Officer or Senior Training Officer. Alternatively, when participating in a training cruise these faculty may opt to sail as merchant officers in a watch standing capacity on an Academy training vessel under the auspices of their license. MMA currently operates two training vessels for the primary purpose of providing license track training to students: the Training Ship State of Maine (TSSOM) and the Sail Vessel Bowdoin. The policies outlined in this Section apply to faculty serving on either vessel.

2. Definitions – The following terms apply throughout Part C of Article 11.

- a. "Category A" Faculty are those hired before June 30, 2000.
- b. "Category B" Faculty are those hired between July 1, 2000 and August 31, 2016.
- c. "Category C" Faculty are those hired on or after September 1, 2016 as indicated by the date their employment commences.
- d. "Training Cruise" on the TSSOM or the S/V Bowdoin is defined as a deployment of either vessel for the purpose of administering an at sea training regimen, such as the following courses: CR103, CR214, CR313, CD303 or CE303. Faculty members may be employed for all or a portion of a Training Cruise in the capacity of Senior Training Officer, Assistant Training Officer or Watch Officer.
- e. "TSSOM Cruise Committee" is a committee composed of a Marine Transportation Department faculty member, a Marine Engineering Department faculty member, the Master of the TSSOM and the

Commandant of Midshipman. This committee will advise the Provost on issues related to TSSOM Training Cruise staffing and logistics.

- f. "Bowdoin Cruise Committee" is a committee composed of the Vessel Operations and Technology program coordinator, another Marine Transportation Department faculty member, the Master of the S/V Bowdoin and the Provost. This committee will advise the Provost on issues related to Bowdoin Training Cruise staffing and logistics.

3. Staffing Procedures

- a. By November 30 of each year the two Cruise Committees will identify the number and length of any and all Training Cruises to be offered aboard either the TSSOM or the S/V Bowdoin during the coming 365 day period. Additionally the two Committees will identify the specific cruise positions for each Training Cruise requiring faculty level participation and advise the Provost of same. It is understood that unforeseen circumstances may require adjustments to the proposed schedule, in such circumstances the Committee(s) will determine what adjustments are needed and advise the Provost accordingly. The Provost will send notice of the necessary adjustments to the Union within one week, in accordance with the first paragraph of Article 11 Part C of the agreement.

Positions required may include:

- Senior Deck Training Officer
 - Senior Engine Training Officer
 - Assistant Deck Training Officer
 - Assistant Engine Training Officer
 - Navigation Watch Officer
 - Engineering Watch Officer
- b. Notice of the type/ title and number of the positions required for each Training Cruise determined in section (3.a) above will be sent to the Union in writing no later than December 15th of each year by the Provost. The Union will provide the Provost with a list of personnel volunteering for the positions no later than the following February 1st.
 - c. The Provost will then receive nominations and recommended position assignments from the Faculty Union for the aforementioned positions and will determine the roster of faculty for the Training Cruises, using the following guidelines.
 - 1) Category A Faculty volunteers will have priority hiring privileges, based on seniority, over Category B and C volunteers.
 - 2) Category B Faculty volunteers will have priority hiring privileges, based on seniority, over Category C Faculty volunteers.
 - 3) If a Training Cruise is scheduled for a duration exceeding 68 days faculty may opt to volunteer for only one-half of that Training Cruise.
 - 4) Faculty volunteering for a particular position during a particular Training Cruise, or portion of a Training Cruise, may not be reassigned without their consent.
 - d. Appointments to these positions will be made annually.
 - e. Participation in a Training Cruise shall be considered as service and teaching in retention and promotion hearings in accordance with the policies outlined in article 8 of this agreement and the relevant policies in the faculty handbook.

4. Frequency of required participation in Training Cruise.

UNION MEMBERSHIP

I. ELECTION OF MEMBERSHIP

- A. Unit members may elect membership in the Association by signing a written membership card and dues authorization form. Any unit member who fails to affirmatively make such an election is deemed to have elected non-membership.

 - 4. In order to change status and/or eliminate or change any payroll deduction option consistent with paragraphs (1) through (3) above, the unit member must provide written notice to both the Association and the Academy's payroll officer. In such litigation the Academy Releases shall have no obligation to defend their acts taken or not taken. This provision shall not apply to intentional or reckless violations of law by Academy Releases.
