

## **Directions to Maine Department of Labor, Augusta**

Located in North Augusta at the Central Maine Commerce Center (formerly known as Digital or SCI). From the Interstate, take the Augusta/Belgrade exit and stay to the right to head towards Belgrade (Route 27). We're about a mile from the exit. You'll see an Irving Station as you come off the Interstate. Drive past the Maine Veteran's Cemetery. By the Elks Lodge keep going straight through the light. There is small hill and at the crest of the hill you'll see a sign for Central Maine Commerce Center. Take a left onto Commerce Drive, take the second right and when the road turns left toward the front of the building, take a right. You'll see the Dept. of Labor sign. The main entrance for the Department is along that side of the building; once you enter, the main reception desk is your second right, and there are signs for direction.
