ARTICLE 1
Union Recognition

- A. The Board of Trustees of the Maine Maritime Academy (hereafter, “the Board”) recognizes the Maine Service Employees Association (hereafter, “the Association”) as the sole and exclusive bargaining agent for Maine Maritime Academy employees, as defined in the University of Maine Labor Relations Act, 26 M.R.S.A. ss 1021, et seq., as Staff, Support and Professional employee bargaining (hereafter SSP). SSP unit members are Maine Maritime Academy Employees in titles or positions included in SSP bargaining unit as a result of petition to and approval by the Maine Labor Relations Board. For this purpose, persons having full-time or part-time appointments in a unit title for a single appointment period of more than six (6) months or for consecutive appointment periods totaling more than six (6) months will be considered unit members following completion of six (6) months of continuous service. Part- time employees are employees working less than the standard time period but on regularly scheduled hours. Students working part-time at the Academy are not unit members.
- B. The parties agree that during the term of this Agreement in the event new titles are created which may result in additions to or exclusions from the bargaining unit, the Academy shall inform the Association and Unit President regarding such new titles as they are created. The parties will discuss and attempt to reach agreement regarding, the appropriate unit placement of such new titles and of existing titles when changes in the job descriptions occur which may result in additions to or exclusions from the bargaining unit.
- C. If the parties disagree on the placement of a title, the matter may be referred to the Maine Labor Relations Board by either party for determination.
- D. If the parties disagree on the placement of a title and the final determination places the title in this bargaining unit, the individual affected shall be entitled to applicable salary and fringe benefits contained in this agreement retroactive to the effective date of change.

 1. first written warning
 2. second written warning
 3. suspension without pay

Grievance Procedures

The Association and the Academy agree that they will use their best efforts to encourage the informal and prompt settlement of any complaint that exists with respect to the interpretation or application of this Agreement. However, in the event such a complaint arises between the Academy and the Association which cannot be settled informally, a grievance procedure is described herein.

A. Definitions

1. A "grievance" shall mean an unresolved complaint arising during the period of this Agreement between the Academy and a unit member, a group of unit members, or the Association with respect to the interpretation or application of a specific term of this Agreement.
2. A "grievant" is the unit member, group of unit members or Association making the complaint.
3. "Days" shall mean all days exclusive of Saturdays, Sundays, and officially recognized Academy holidays, as described in Article 13, Holidays and Administrative Leave.

B. Informal Procedure

Except as provided under the Academy's anti-harassment policy, a complaint by a grievant shall be presented informally to the administrator whose decision or action is being contested.

C. Formal Procedure

Step 1: In the event satisfactory resolution is not achieved through informal discussion, the grievant or steward, within twenty (20) days following the act or omission giving rise to the grievance or the date on which the grievant reasonably should have known of such act or omission if that date is later, shall present orally to his or her immediate supervisor the grievance. A grievance so presented shall be answered within ten (10) work days of receipt of the grievance.

Step 2: In the event satisfactory resolution has not been achieved in Step 1, the grievant, within ten (10) work days of receipt of the answer or of the date the answer is due if no answer is provided, shall forward the grievance form, written statements why the resolution is not satisfactory, and any other documentation to the next appropriate level of administration. A grievance so presented shall be answered in writing within ten (10) work days of receipt of the grievance. If a grievance affects unit members in more than one department, division or other appropriate unit, the Association, within ten (10) work days following the act or omission giving rise to the grievance or the date on which the Association reasonably should have known of such act or omission if that date is later, shall forward to the chief administrative officer or his or her designee the written, signed grievance form referred to in Step 2 (Appendix A). A grievance so presented shall be answered in writing within ten (10) work days of the receipt of the grievance.

Step 3: In the event satisfactory resolution has not been achieved in Step 2, the Association, within ten (10) work days of receipt of the answer or of the date the answer is due if no answer is provided, shall forward to the President or his or her designee the written grievance form, written statements why the resolution is not satisfactory, and any other documentation. The President or his or her designee shall answer in writing within ten (10) work days of receipt of the grievance.

Step 4:

1. In the event a grievance is not satisfactorily resolved at Step 3 of the grievance procedure, and the Association wishes to proceed to arbitration, it shall serve written notice by electronic mail directed to the President or his or her designee and to the American Arbitration Association (“AAA”) within twenty (20) days of receipt of the Academy’s Step 3 decision. The Arbitration shall be heard by a single arbitrator in accordance with the procedure rules and regulations of AAA.
2. The arbitrator shall have no authority to add to, subtract from, modify or alter the terms or provisions of this Agreement. Arbitration shall be confined to disputes arising under the terms of this Agreement.
3. The arbitrator's decision as to whether there has been a violation of this Agreement shall be final and binding on the Academy, the Association and any and all affected unit members.
4. An arbitrator may, through an award, make the grievant(s) whole where appropriate to remedy a violation of the Agreement but the arbitrator may not award other monetary damages or penalties.
5. If a unit member is re-appointed at the direction of an arbitrator, the chief administrative officer may reassign the unit member during such reappointment to some mutually agreed upon assignment.
6. Notwithstanding the above, the parties may at any time upon mutual agreement agree to send a grievance to mediation and toll the time limits contained herein.

D. Duplicate Proceedings

A grievance alleging a violation of the non-discrimination article shall not be processed under this

Agreement on behalf of any employee who files or prosecutes, or permits to be filed or prosecuted on his or her behalf in any court or governmental agency, a claim, complaint or suit, complaining of the action grieved, under applicable federal or state law or regulation. Notwithstanding the preceding sentence, if the processing of a grievance is not completed within one hundred fifty (150) days of the date of the alleged violation, the restriction provided in the preceding sentence shall not be applicable

where a complaint is filed thereafter with the Maine Human Rights Commission or its successor agencies with respect to the same claim.

E. Rights and Responsibilities of the Grievant, the Academy, and the Association

1. No reprisals shall be taken by either the grievant, Association, or the Academy against any participant in the grievance procedure by reasons of such participation.
2. A unit member may be represented at any level of the grievance procedure only by an Association designated representative, or professional staff or counsel of the Maine Service Employees Association, except a unit member may represent him/herself in steps 1, 2, and 3.
3. When a unit member is not represented by the Association at Step 1 or 2, the Association shall have the right and reasonable opportunity to be present at any meeting between the grievant and the Academy after the submission of the written signed grievance form.
4. Except for the decision resulting from arbitration or settlement, all documents, communications and records dealing with the processing of a grievance shall be filed separately from the personnel files of the unit members.
5. The forms which must be used for filing a grievance (Appendix A) and any subsequent review (Appendix B) shall be prepared by the Academy and supplied to unit members and the association.
6. In all grievances at Step 2 and 3, the grievance designees for the Association and the Academy, or their representatives, will arrange a meeting to discuss the grievance. Other participants in the matter which is the subject of the grievance may attend by invitation of a party. The requirement to conduct such a meeting may be waived with respect to any grievance by mutual agreement, confirmed in writing, of the Academy and Association representatives involved. All meetings and hearings under this procedure shall be conducted in private and shall include only the parties in interest and the grievant and his/her designated representatives.
7. In the event that a grievance is not timely answered by the Academy at any step in the Procedure, the grievant or the Association, as appropriate, may file at the next step in the procedure.
8. The costs of arbitration will be borne equally by the Academy and the Association. Such shared cost shall be limited to the arbitrator's fee and expenses and the charges of the American Arbitration Association.

9. The Academy shall promptly forward to the Association and stewards, a copy of any submitted written grievance and any written material accompanying the grievance. This requirement is waived in the case of grievances filed by the Association, or unit member(s) who are represented by the Association or its representatives.
10. No complaint informally resolved or grievance resolved at Steps 1, 2 or 3 shall constitute a precedent for any purpose unless agreed to in writing by the President or his/her designee and the Association.
11. All grievances shall be filed within the time limits set forth or the grievance will be deemed to have been resolved by the decision at the prior step. The time limits in this Article may be extended by mutual agreement of the grievant and the appropriate Academy administrator at any step of the grievance procedure except that the time limits for the initial filing of a grievance may be extended only by agreement between the President and his/her designee and the Association. Any mutual agreement shall be confirmed in writing as soon as practicable.
12. Grievances will be scheduled for arbitration in the order in which the Academy receives from the Association notice of its intent to proceed to arbitration, except where the parties mutually agree otherwise in this Agreement. In scheduling arbitrations, the parties may mutually agree to schedule more than one grievance to be heard by a single arbitrator.

ARTICLE 12 Health and Safety

Three (3) shall be appointed by the Association, and two (2) will be appointed by the Academy, of which one (1) will be Vice President of Operations or his/her designee. The Committee will meet by mutual agreement at times and places convenient to both parties. Meetings will be set upon reasonable notice to all parties. A sum of five thousand dollars (\$5000.00) will be established annually for Health and Safety programs. Committee members shall suffer no loss of pay for time spent to participate in meetings of the Committee during their regularly scheduled work week. Any action taken by the Committee will be by mutual agreement. The Committee will have no authority to add to, delete from, or modify this Collective Bargaining Agreement.

1. The date of the observance of the holidays shall be communicated to the Association by the Academy prior to the start of the fiscal year in which the holidays occur. Holidays will be observed on the legal day when possible.
2. Holiday pay eligibility does not extend to unit members on an unpaid leave of absence, layoff, long-term disability or worker's compensation.
3. Hourly Holiday Pay
 - a. A unit member who is regularly scheduled to work on a day designated as a holiday shall receive holiday pay at his or her basic hourly straight time rate times the number of hours regularly scheduled on that day.
 - b. Holiday pay is in lieu of other paid leave which a unit member might otherwise be entitled on the unit member's holiday.
 - c. A unit member required by the Academy to work a holiday will be paid the basic hourly straight time rate for each hour worked in addition to the holiday pay to which the unit member is entitled as above described except that on New Year's Day, Memorial Day, Independence Day, Labor Day, Thanksgiving Day, Day after Thanksgiving, and Christmas Day the unit member shall be entitled to a premium rate of one and one-half (1 1/2) times the basic hourly straight time rate for each hour worked in addition to the holiday pay as above described.
 - d. A unit member who has worked on a holiday may choose to take compensatory time off in lieu of cash payment. Such compensatory time will be granted on the basis of one and one-half (1 1/2) hours off for each hour of holiday worked.

- e. When a holiday falls on a day when a unit member is not regularly scheduled to work, the unit member shall receive holiday pay for the day for a number of hours equal to the length of his or her average regularly scheduled work day at his or her regular straight time rate. The length of the average regularly scheduled work day shall be computed by dividing the number of hours in the unit member's regularly scheduled work week by five (5). Holiday pay paid to unit members for hours they are not scheduled to work on the holiday shall not be counted in the computation of overtime. The Academy may choose to grant compensatory time in lieu of such payment.

4. Salaried Holiday Pay

Holidays which fall on days when a unit member is required to perform assigned responsibilities shall be taken at a time mutually agreeable to the unit member and the appropriate supervisor.

B. Administrative Leave and Administrative Holidays (Hourly)

Any unit member normally scheduled to work during the period of an administrative leave at the Academy when administrative leave has been declared will receive administrative leave pay at the regular rate for such normally scheduled hours, not to exceed the designated length of the administrative leave.
3. Any unit member directed by management to work during the period of an administrative leave will be paid at the straight time rate for any time worked during the period of the administrative leave. This pay will be in addition to any administrative leave pay to which the unit member may be entitled under paragraph B2 of this Article.
4. In the event that an administrative leave is called which commences at or prior to the start of a unit member's scheduled work day any unit member not directed to work shall be provided with reasonable notice not to report for work. In the event that the Academy fails to give such reasonable notice and as a result a unit member reports fit and ready for work, the unit member, if he or she so requests, shall be guaranteed a minimum of two (2) hours work, which will be paid in accordance with paragraph B3 of this Article; or in lieu thereof, shall receive two (2) hours pay at the straight time rate in addition to administrative leave pay as provided in paragraph B6 of this Article, if no work can be provided by the Academy.

Reasonable notice shall be presumed to have been given if the Academy notifies via email or E2Campus, telephones the unit member's home and/or notifies designated radio station(s) at least one hour prior to the unit member's starting time. The two (2) hour guarantee described herein shall also apply to a unit member who has been at work, as regularly scheduled, for less than two (2) hours at the time that administrative leave is called.

5. Any hours paid pursuant to paragraph B4 of this Article shall not be included in any computation regarding overtime pay.
6. Administrative holidays may be declared only at the discretion of the President or his or her designee. Such holidays may be declared in conjunction with such occasions as national observances or regularly scheduled Academy holidays. The duration of the administrative holiday shall be specified by the President or his or her designee, but shall not be limited in a manner which arbitrarily excludes any group of unit members from the administrative holiday period. Unit members normally scheduled to work during the period of an administrative holiday will receive administrative holiday pay at the straight time rate for such normally scheduled hours. Unit members directed by management to work during hours which have been declared to be within the administrative holiday period will be paid at the straight time rate for each hour worked during the period of administrative holiday in addition to administrative holiday pay. If the unit member is directed to work more than eight (8) hours, the unit member shall receive administrative holiday pay in lieu of overtime pay.

The Academy may choose to provide compensation in the form of compensatory time for any hours worked by a unit member during the period of an administrative leave or an administrative holiday. Such compensatory time shall be granted on a basis equivalent to the pay provisions described in this Article.

The provisions of this Article shall be applicable to any unit member who is normally scheduled to work during the period of an administrative leave or an administrative holiday but who has been excused from work and is on a leave with pay under the terms of another provision of the agreement, except in cases of absence involving Worker's Compensation.

ARTICLE 14 Hours and Work Schedules

A. Work Year

The work year for each unit member shall be for the number of months specified by the Academy and shall include vacation leave and holidays as specified in Article 13, Holidays and Administrative Leaves. The Academy shall notify a unit member of his/her work year in the letter of appointment.

B. Work Week/Work Schedules

1. It is the responsibility of the Academy to assign and schedule the work of unit members to provide services to the various segments of the Academy community and meet other academy objectives.
2. Each unit member shall be assigned by the Academy based upon job classification, to either a regular (fixed / hourly), or a flexible (salaried) work schedule.
 - a. The hours and days within a regular (fixed/hourly) work schedule may be varied by the Academy from time to time.

- b. The work of unit members who are assigned to a flexible (salaried) work schedule is not measured in a fixed number of hours per week.
3. The length of the work week for full-time regular unit members who are assigned to a regular (fixed/hourly) work schedule shall be a forty (40) hour week, not including unpaid meal periods. The regular work schedule for such unit members shall be determined by the Academy, and shall not be changed arbitrarily. Where the regular work schedule is changed without the unit member's consent, the Academy will give the unit member ten (10) work days' written notice of the change. Such changes in work schedule shall only be made for bona fide program reasons. In the event the new work schedule will cause the unit member (hourly) substantial personal hardship, and he/she has more than four (4) years of Academy service, then he/she may displace another unit member, according to the provisions of Article 27, Seniority, Layoff, and Recall, section C. 2 under the Staff, Support and Professional Contract.
4. Unit members who are assigned to a flexible (salaried) work schedule shall be expected to meet reasonable work demands. Assignments to unit members with flexible (salaried) work schedules in the same or related classifications within a department shall be equitably distributed. The Academy may establish basic scheduling requirements within which unit members shall, with the approval of their supervisors, arrange their work schedules on a periodic basis. Such work schedules may vary from time to time to meet seasonal or other changed demands or circumstances.
5. The Academy supports the use of flexible schedules by unit members (hourly) when the administration determines that flexible schedules may be in the best interest of the Academy. In the event the Academy intends to exercise its authorities under other sections of this Agreement to permit flexible schedules by unit members, on an Academy wide basis, the Academy will provide affected unit members and the Association with an opportunity to comment thereon.
6. Where a unit member is assigned work by two (2) or more persons it shall be the responsibility of the unit member's appropriate supervisor to resolve conflicts in work assignments which arise.
7. The Academy may appoint a new unit member (hourly) to a non-renewable fixed length appointment for a specified duration which shall not exceed two (2) years. Employment shall be for the length of the appointment except in the case of termination for just cause. Non-renewable fixed length appointments which are extended beyond two (2) years shall result in a continuing appointment unless mutually agreed otherwise by the Association and Academy. The provisions of Article 16 of this Agreement shall not be applicable to non-renewable fixed length appointment employees. In the event unit members, appointed to a non-renewable fixed length appointment, are re-appointed to a continuing appointment without a break in service, their seniority date shall be established as the original date of hire as a regular employee.

C. Overtime/Compensatory Time

1. Those unit members assigned to regular (fixed/hourly) work schedules shall earn compensatory or overtime as follows:

- a. When the Academy determines that work by unit members on an overtime basis is required, it will make reasonable efforts to equitably distribute such work to qualified unit members working in the affected office or other similar work area.
 - b. Up to and until ratification of this Agreement, unit members required by the Academy to be in active pay status more than eight (8) hours in any day, or after their regular scheduled hours if greater, or forty (40) hours in any work week shall be compensated for such time over forty (40) hours at one and one-half (1½) times the base rate of pay. The employee may choose to be compensated in the form of compensatory time, which shall be granted on the basis of one and one-half (1½) hours of time off for each hour of overtime worked. The compensatory time earned shall be taken within thirty (30) days of the date earned, which limitation may be extended by mutual consent of the parties.
 - c. After ratification of this Agreement, unit members required by the Academy to be in active pay status more than their regularly scheduled hours in any day, if such regularly scheduled daily hours are eight (8) or more, or if required to be in active pay status for more than forty (40) hours in any work week, shall be compensated for such overtime hours at one and one half (1 ½) times the base rate of pay for each hour worked over their regularly scheduled daily hours that are over eight (8) hours, or for each hour worked over forty (40) in any work week. Employees will not be compensated twice for the same overtime hour. The employee may choose to be compensated in the form of compensatory time, which shall be granted on the basis of one and one half (1½) hours of time off for each hour of overtime worked. The compensatory time earned shall be taken within thirty (30) days of the date earned, which limitation may be extended by mutual consent of the parties.
 - d. Compensatory time earned shall be taken subject to supervisory approval. Such approval shall not be unreasonably denied.
 - e. In the computation of eligibility for overtime pay or compensatory time, only those hours actually worked in accordance with the Fair Labor Standards Act shall be counted.
 - f. The Academy shall not unilaterally curtail the scheduled hours of work of a unit member during a work week in which the unit member has previously worked hours outside his or her regular work schedule in order to avoid overtime pay or compensatory time.
 - g. The Academy will record compensatory time earned, used and accumulated, and will supply this information to each unit member at least biweekly.
2. Full-time unit members, except those required to remain on the job for a consecutive eight (8) hour period will be allowed two (2) fifteen (15) minute rest periods (i.e., from the time an employee stops working to the time he/she resumes working) on each regular workday, which will be scheduled by the appropriate supervisor.

- ii. Any employee who is required to carry an MMA supplied pager during off duty

For purposes of this Article, a unit member with a work year of less than twelve (12) months shall not be considered to be laid off during the months which are not included within the unit member's work year.

 - c. Qualifications referenced in 2(a) and 2(b) as determined by the Academy shall be reasonably related to the services to be maintained.

One week of additional severance pay will be received by unit members with continuing appointments for each year or partial year of Academy service. The entitled weeks of layoff and severance pay will be paid at the weekly pay period until the obligation of the Academy has been discharged. If the unit member is re-employed by the Academy during the layoff and severance pay period, remuneration under this Article shall be reduced by the amount of salary paid in the position in which re-employed.
4. Unit members who have unused, accumulated compensatory time shall be paid for such time in a lump sum provided that the compensatory time was accumulated in accordance with Article 14, Section C, and that the unit member and his or her supervisor make a reasonable effort to reduce the unused compensatory time balance between notification of the layoff and the effective day of the layoff.
- B. Full-time regular and eligible part-time regular unit members who have been laid off shall be eligible to participate at their cost in Academy group health and dental insurance for eighteen (18) months or such other period as stipulated by applicable Federal or State law, following

For this purpose, it shall be the unit member's responsibility to keep the Academy advised of his/her current address.
2. In the case of a vacancy of a position in the classification of a laid off unit member and prior to consideration of applicants for the position, the Academy shall canvas the recall list by offering the position in order of seniority to unit members on the list who are in the classification. Laid off unit members who apply for positions which are not in the unit member's classification shall be considered internal applicants.
3. A unit member who is re-employed in the same position or an equivalent position within two (2) years of the effective date of layoff shall be placed in the same wage grade and step obtained prior to the layoff.
4. A unit member re-employed in a different position within two (2) years of the effective date of layoff shall be placed in the wage grade assigned to the position. Step placement shall be determined by the applicable promotion or non-disciplinary demotion provisions in Article 26.

E. When a layoff is ordered, the Academy shall notify the MSEA Augusta office and shall make available to the Association all relevant information upon request.

F. For the purposes of this Article, the term "Soft Money" is defined as sources of temporary funds from federal or state grants, foundation awards, or privately funded projects, as distinguished from student tuition and state and federal funds appropriate for the general operation of the Academy. Usually, "Soft Money" accounts are for specific projects of up to one year duration. If renewable, the grant or award is subject to approval through a reapplication or negotiation process.

ARTICLE 28 Separability

In the event that any provision of this Agreement is found to be in conflict with any state, federal, or other applicable law, such law(s) shall prevail and such provisions of the agreement shall be considered invalid and void. Such invalidity shall not affect the validity of remaining provisions of the agreement which shall remain in full force and effect.  - 1. Full-time regular members shall earn one and one-quarter (1¼) days of sick leave for each monthly period, or major portion thereof, of employment within the unit member's year. Part-time regular employees shall earn sick leave on a pro-rated basis.
 - 2. Unit members may henceforth accumulate sick leave up to a maximum of one hundred fifty (150) days.
 - 3. The Academy shall provide each unit member with a bi-weekly statement showing sick leave days earned, utilized and accumulated.
 - a. A unit member who is unable to perform duties because of an illness may use any and all accrued leave credits. An "illness" shall be defined as any physical or mental impairment of health, including an impairment resulting from pregnancy, which prevents a unit member from performing his/her duties.
 - b. A unit member must take sick leave for those days during which, due to illness, the unit member is unable to be on campus or other appropriate job site for assigned activities. A continuous period of sick leave commences with the first day of absence and includes all subsequent days until the unit member returns to work. For this purpose, Saturdays, Sundays, and official holidays observed by the Academy shall not be counted unless the unit member is regularly scheduled to work on such days.
 - c. A unit member may use sick leave for absences resulting for illness or injury of a member's immediate family or household, which requires the presence of the unit member. Proper notice and, upon request, appropriate documentation shall be provided by the unit member to the President or his/her designee or, where authorized, the unit member's appropriate supervisor.
 - d. Accumulated sick leave may be used for routine medical or dental appointments provided that the unit member is not able to schedule the appointment outside of his or her working hours and adequate notice is given.

4. In cases where there are reasonable grounds to suspect sick leave abuse, or where an illness exceeds five (5) days in duration, the Academy may require the submission of a written explanation by the employee's physician at Academy expense regarding the sickness or illness prior to the payment of sick leave to a unit member.
5. Sick leave shall not be accrued after a unit member is on Workers' Compensation for three (3) months, or when a unit member is on an unpaid leave of absence, layoff, or long term disability.
6. Unit members shall make every effort to notify the appropriate supervisor of their inability to report to work as soon as possible prior to the start of the work day.
7. In cases of serious illness, an eligible unit member who has exhausted all available leave credits, including vacation leave and compensatory time, shall make application for total disability benefits if the medical prognosis indicates a disability of qualifying duration. In cases of serious illness of unit members with more than two (2) years of seniority, leave without pay shall be granted for up to the duration of the illness, not to exceed a period of six (6) months of paid and unpaid leave. For unit members with two (2) years of seniority or less, leave without pay may be granted for up to the duration of the illness, not to exceed a total of six (6) months of paid and unpaid leave. Unit members who are placed on leave without pay for reasons of personal illness shall have the rights and responsibilities described in Article 17, Leaves of Absence, except that eligibility for long term disability benefits shall be retained to the extent permitted under an equivalent long term disability insurance plan should one be implemented.
8. Subject to supervisory approval, accumulated sick leave may be used in the event of serious illness or death in the unit member's immediate family. Immediate family shall be as defined by the Family Medical Leave Act (FMLA). Under the FMLA, a "spouse" means a husband or wife, including those in same-sex marriages, which were made legal in all 50 United States as of June 26, 2015.

The FMLA defines the term "parent" as "a biological, adoptive, step or foster father or mother, or any other individual who stood in loco parentis to the employee when he or she was a minor."

"Son or daughter" means a biological, adopted or foster child, a stepchild, a legal ward, or a child of a person standing in loco parentis who is either under age 18 or age 18 or older and "incapable of self-care because of a mental or physical disability."

Additionally, Domestic Partners legally recognized by the State of Maine are considered immediate family.

In-laws, grandparents and siblings are not considered immediate family unless that individual lives in the same household as the employee on a full-time basis.

FMLA shall always run concurrently.

This provision is for those emergency situations where the nature of the illness or family conditions are such that the unit member must be available to care for the family member,

or in the event of death, to attend to the details related thereto. Approval for such use of sick leave will not be unreasonably denied.

9. Catastrophic Leave Bank.

The Academy shall establish a sick leave bank (known as the “catastrophic leave bank”). The Academy shall administer the bank. It will be a mechanism whereby all staff employees may contribute their accrued but unused vacation time, and make application to use the banked time under appropriate circumstances. The bank will be open to all MMA regular staff employees, not just unit members. The Academy shall establish the procedures for contributing to and using the banked time, and shall manage the requests for catastrophic leave. The Director of Human Resources shall have the exclusive discretion to determine whether an employee will be allowed to use the bank. Furthermore, the Human Resources Director shall provide an annual report in an Excel format consisting of: hours donated, hours used, number of applicants, number of approvals and number of denials. Use of the bank will not insulate employees from adverse employment action caused by excessive absenteeism.

B. Disability

1. The Academy will offer, at no cost to the unit members, long term disability (LTD). Application for LTD must be made through the insurance carrier.
2. After six (6) weeks absence, the unit member will no longer accrue additional sick leave benefits, until their return to full duty.
3. After six (6) months of absence due to illness and or disability the Academy may fill the vacancy created by a unit member’s absence with a permanent replacement. There will be no right of return.
4. Under extraordinary circumstances, the Academy may determine based on current medical certification and after consultation with the unit member that extending sick leave is warranted based on prognosis if it is not detrimental to the operation of the Academy and medical evidence indicates return to full employment within a reasonable period of time, not to exceed one year in total.
5. The evidence must indicate that the unit member would be able to fulfill all essential functions of his or her position.
6. The unit member shall exhaust all paid leave available before being placed on administrative leave without pay.
7. If at any time the determination is made that the unit member will be unable to return to work, the Academy may request the unit member’s resignation or may terminate the employee’s employment.
8. In the event that eligibility for total disability benefits has not been determined by the first day of the month following six (6) consecutive months of total disability, and it has been determined that the unit member cannot return in accordance with the provisions above, a unit member will be paid out all remaining sick time in one lump sum.

II. General Provisions

A. Payments and Deductions

It shall be the sole responsibility of the Association to collect its dues.

B. Indemnification

The Association agrees that it shall indemnify, defend, reimburse, and hold harmless the Academy and its Trustees, officers, agents, employees, students and/or representatives (hereinafter collectively referred to as "Academy Releasees") against any claim, demand, suit, cost, expense, damages, or any other form of liability, including attorneys' fees, costs, or other liability arising from or incurred as a result of any act taken or not taken by the Academy Releasees, in complying with or carrying out the provisions of this Article. The Association will intervene in and defend any arbitration, administrative or court litigation concerning the propriety of any act taken or not taken by Academy Releasees under this Article. In such litigation the Academy Releasees shall have no obligation to defend their acts taken or not taken. This provision shall not apply to intentional or reckless violations of law by Academy Releasees.

C. Severability

Should the United States Supreme Court, the First Circuit Court of Appeals or any Court in Maine generally hold indemnification clauses, or any portion of them, relating to union membership void or unenforceable for Constitutional or public policy reasons, this Article shall be stricken in its entirety upon written notification to the Association by the Academy. Should any Court find this indemnification clause in this Article to be void or unenforceable for any reason, this Article shall be stricken in its entirety upon written notification to the Association by the Academy. Should the Academy provide such written notification, either party may initiate negotiations on the subject of union membership and financial support of the union by unit members.

ARTICLE 35
Use of Personal Vehicle

- A. Unit members who are authorized by the Academy to use their personal vehicles for assigned non-campus Academy business in accordance with Academy travel policy shall be reimbursed from the effective date of this agreement through June 30, 2018 at the prevailing IRS rate.
- B. Any unit member who agrees to a supervisory request to use the unit member's personal vehicle for job duties, (on the MMA campus, and throughout Castine) will be reimbursed through the MMA payroll system at a daily rate of \$5.00.

ARTICLE 36
Vacation Leave

1. All full-time regular unit members shall earn vacation leave at the rate of two days per month; or major portion thereof of employment within the unit member's work year. All part-time regular unit members shall earn vacation leave on a pro-rated basis. Up to seventy (70) days of vacation leave may be carried forward from year to year. For purposes of leave carried forward, a leave year shall commence on July 1 and end on June 30. In no event shall the current accrual rate of any employee be reduced as a result of the provisions of Section 9 of this Article.
2. Such accumulation shall continue, on a pro-rated basis, during periods in which the full-time regular unit member with the approval of the Academy works a reduced number of hours not less than twenty (20) hours per week provided that such periods do not exceed a cumulative total of four (4) work months in the employee's work year. If a full-time regular unit member is regularly scheduled to work less than twelve (12) months per year or less than forty (40) hours per week, the vacation leave earned shall be prorated. Part-time regular unit members shall earn vacation leave at rates which are in the same proportion as their part-time service bears to full-time service.
 - a. All requests for vacation leave shall be submitted by the unit member to the immediate supervisor as far in advance as possible and appropriate. Approval of the dates on which a unit member wishes to take vacation leave shall be subject to the consideration of departmental and organizational scheduling but shall not be unreasonably withheld by a supervisor. If an employee requests vacation leave with at least two weeks' notice and the request is denied and the denial pushes the employee over the 560 hour vacation leave cap, the Academy will pay out the employee for the hours over 560 hours at the end of the fiscal year and the employee will not forfeit them.
3. When the employment relationship is severed, the Academy shall pay the unit member for up to forty (40) days of unused vacation leave, in a lump sum payment, provided that the unit member makes a reasonable effort to reduce the unused balance between notifying the Academy of his/her termination and the effective date of the termination. Any accrued vacation leave in excess of forty (40) days shall be forfeited by the unit member on the

effective date of termination regardless of reason, i.e., resignation, termination, layoff or retirement.

4. Unit members who transfer from the SSP bargaining unit to the Supervisory bargaining unit may carry forward all unused vacation leave.
5. Unit members who transfer from the SSP bargaining unit to the Faculty bargaining unit on an academic year appointment shall be paid for any unused vacation leave up to 40 days provided that the unit member makes a reasonable effort to reduce the unused vacation leave balance between notification of the transfer and the effective date of the transfer.
6. Vacation leave shall not accrue after a unit member is on Worker's Compensation leave for three (3) months, or when a unit member is on an unpaid leave of absence, layoff, or long term disability, or becomes separated from the Academy on or before the middle of a pay period.
7. Vacation leave used will be recorded in one-half (1/2) hour increments.

ARTICLE 37

Labor-Management Committee on Diversity and Respect

In support of the parties' commitment to prevent harassment and discrimination in the workplace, including discrimination based on race, color, sex, sexual orientation, physical or mental disability, religion, age, ancestry or national origin, the parties shall establish a Joint Labor-Management Committee on Diversity and Respect (the "Committee").

The Committee shall meet no fewer than three (3) times per Academic Year and consist of two bargaining unit members appointed by the Chapter President and management representatives to be appointed by the President of the Academy. The Faculty and/or Supervisory bargaining units may also have two representatives each on the Committee, provided that they adopt similar language in their respective collective bargaining agreements.

The purpose of the Committee shall be to address issues related to discrimination and harassment on campus, to provide a forum for the Academy and its employees to engage in an ongoing self-assessment of issues on campus and to work collaboratively to foster a more inclusive environment. The Committee shall not be a substitute for the Academy's responsibility to enforce the Academy's Equal Opportunity, Harassment, Sexual Harassment, Reporting, Investigation and Remedy policies and its obligation to follow the state and federal laws regarding discrimination in the workplace and in education.

Additionally, the Committee shall be charged with reviewing any harassment and discrimination training, including the participant evaluations of course content, training materials, and trainers, with the goal of improving upon such trainings and providing feedback to management for improvement. The Committee shall not manage the harassment and discrimination trainings provided by the Academy, which remains the responsibility of the Academy pursuant to Article 29 and its obligations under state and federal law.

ARTICLE 38

- C. Either party may serve upon the other a notice at least sixty (60) days prior to the expiration of the Agreement advising that they desire to confer and negotiate with regard to the terms of a successor agreement.
- D. This Agreement constitutes the entire Agreement between the Parties.
